While the new store will employ a normal complement of 75 persons, approximately 110 employees will be on hand the first day. These include part-time help and extra employees.

The modern building has been under construction for the past nine months. Its new color schemes, lighting and display fixtures are being used for the first time by a Sears store in the mid-western territory. Each department has its own color scheme.

The main floor will carry a complete line of ladies fashions and accessories, men's clothing, boys' clothing, infants wear and teenage fashions as well as a new modern shoe department for the entire family, drapery materials, curtains, yard goods, corsetry, notions, lingerie and a ladies lounge. At the rear of the first floor will be a new modern catalogue sales department with direct telephone lines into Chicago to assure fast deliveries.

The store features its own brand of merchandise throughout backed by the slogan, "Satisfaction guaranteed or your money back."

The new store has 24,000 square feet of floor space. Besides the sales floors, it also has a four-car service station and adequate free parking space for Sears customers at the rear.

Ken Wheeler who has been with Sears for 14 years is the new store manager. He and his wife came to Holland from Kendallville, Ind., where he served as store manager for 2 1/2 years. The assistant manager is John Dijkstra who has been with Sears for eight years. He and his wife and four children came to Holland from Ann Arbor.

Four employees who have served Sears office in Holland have moved with the store to the new location. Mrs. Gertrude Bos will continue as head of the catalogue sales department. Mrs. Julia Myrick heads the department for ladies fashions and Mrs. Genevieve Thompson is the new credit sales manager. Mrs. Virginia Timmer is assistant to Mrs. Thompson.

The Holland garden, first of its kind, was instituted by John Hume of Chicago, a native of Holland, Mich., who has purchased tulip bulbs for Sears for many years. Each bed of tulips will be carefully classified for the benefit of visitors. Chicago personnel will be available at the farms. Plans also call for having girls in Dutch costumes present.

HUNDREDS OF PEOPLE gathered at the new Sears, Roebuck and Co. store for the formal opening this morning. Throughout the day the new modern department store was so crowded that employees served more as information guides than as clerks. C. C. Wood, president of

the Holland Chamber of Commerce, cut the ribbon at opening ceremonies at 9 a.m. today. Left to right are H. F. Murphy, Sears vice president for the Midwest territory, Wood, Ken Wheeler, new store manager, and John Dijkstra, assistant manager. (Sentinel photo)

Sears Entertains Local Officials

Twenty-one Holland citizens and retail store managers from Muskegon, Benton Harbor, St. Joseph and Grand Rapids and Michigan City were entertained at luncheon this noon by the Sears, Roebuck Company at the Warm Friend Tavern.

Attending were K. A. Wheeler, manager of the new Holland Sears store; M. C. Carpenter, Midwest zone manager; H. F. Murphy, of Chicago, Sears vice president, Midwest territory; Kenneth Karlzen, Grand Rapids Sears manager; H. B. Geary, Benton Harbor-St. Joseph manager; Paul E. Robertson, Michigan City, Ind., store manager, and E. F. Allen, Muskegon store manager.

Local guests were Mayor Harry Harrington, David Boyd, Stuart Boyd, Al Joldersma, Henry Maentz, Clarence Jalving, R. E. Barber, Earl Price, G. Telgenhof, Sandy Meek, A. Van Putten, O. A. Bishop, W. A. Butler and C. C. Wood.

Wood, Holland Chamber of Commerce president, introduced Murphy, who said Holland's store is the latest tie installation, with a form of self service allowing the customers to help themselves. After more than 25 years, Murphy said, the company has found that plenty of parking area is a "must" for stores in residential areas.

Murphy cited four obligations considered by Sears company: Customers; employees, who are the largest stockholders in the company with about 26 per cent or 31 per cent of outstanding common stock; the community, in which store personnel are expected to be good citizens and cooperate with community projects; stockholders, who will do well, too, if the other obligations are met.

Murphy left by plane immediately after the luncheon to keep a 3 p.m. appointment at his Chicago office.

Dog Notes

by Peter Boggs
Pups Had Men for a Mother

A Houston, Texas, lawyer, with a big estate on Memorial Drive, owned a female pointer that was his pride. She had six puppies, purebred baby pointers. She was an ideal mother to the newborn pups. But she was not left alone on the job of mothering them. There was a queer bantam hen—the only chicken left on the estate—that discovered the litter before they were a day old.

She settled down on top of as many of them as her small body and outstretched wings could cover, and there she brooded over them for hours. The only time she left them was when they were feeding. That was a job for their real mother, not for the feathered foster-mother. The pointer did not make any objections to this sharing of her duties. Perhaps because the bantam laid an egg nearly every day near the broodnest; an egg which the puppies' mother devoured always with dainty relish.

An odd story, isn't it? A scientist explained the bantam's motherliness toward the pups by saying she had never had a chance to display her strong maternal instinct for a brood of baby chicks of her own.

Perhaps one guess is as good as another. But the story is vouched for.

Chewing Gum Troubles
We have been having chewing gum troubles at our house lately. My eleven-year-old son and his friends of late have been avid chewers of gum. And somehow part of their gum from time to time seems to find its way into one or more of our dogs' coats.

If you have ever experienced such a problem perhaps you will be interested in a method I have found to remove gum easily from a dog's coat. Here it is:

Take a handful of cracked ice and hold it for several seconds to the place where the gum has adhered. You will find that the gum will become brittle and in most cases can then be removed without the loss of a single hair.

Speed of a Dog's Tail Wag
I don't know why they bothered to figure this out, but a group of scientists did so recently. They found that a pup's tail travels 3 inches with each wag giving a top speed of 900 inches per minute or 85-hundredths of a mile per hour.

The Question Box
Question: I am buying a dog from a kennel in another state. Do I pay the cost of shipping the dog or does the kennel?

P.W. Answer: The usual practice is that the buyer pays the shipping cost.

Question: A friend told me that sometimes domesticated dogs are bred to wolves. Is that true?—H.A.

Answer: The only place I know of where that is done, and then only very rarely, is in the far north. There are certain tribes of Eskimos that are said to mate their dogs occasionally with wolves.

New Housing Phone
A new telephone has been added in the Tulip Time Housing office at Chamber of Commerce headquarters and persons who rent rooms through the housing agency are asked to mark it in their phone books. The new number is 6-8129.

ARNOLD E. OVERWAY

Two Companions Critically Hurt In Auto Accident

Car Crashes Into Loose Cement Pieces On Road Under Repair

A Holland man was killed outright and two others critically injured early Sunday morning when their car crashed into large chunks of cement on US-31 nine miles south of Charlevoix.

Victim of the crash was Arnold H. Overway, 37, of 167 West 2nd St.

Critically injured and reported in "poor" condition, "but holding their own" at Charlevoix Hospital are:

Joseph Knoll, 35, of 193 Elm Lane, multiple head and chest injuries, fractures and kidney injuries.

Herbert Beelen, 34, of 260 Reimink Rd., left kidney injury.

The accident occurred at 4:45 a.m. Sunday as the men were en route to Ironton, just north of Charlevoix, for a day of fishing. A nine-mile section of US-31 where the accident occurred, is being prepared for repaving.

According to Charlevoix County Sheriff Floyd Ikens, who investigated, Overway was driving at the time. The car went around two blockades and onto a stretch of good pavement before it crashed into a section of old pavement that was torn up.

Ikens said the car crashed head-on into a large chunk of cement that was sticking up.

Coroner Dr. L. E. Grate said Overway was killed instantly and died of a broken neck and multiple bruises and fractures. It took a wrecker two hours to pull the car apart to get the body. The '52 model car, owned by Beelen, was a total loss.

Beelen, although seriously injured, was able to go for help.

Ikens said it was light at the time and there were lanterns on the barricades.

Overway had taken over driving duties one-half hour before the accident.

Overway was born in Holland and graduated from Holland High School and Walton School of Accounting in Chicago. He had been purchasing agent at Buss Machine Works for the last several years.

Ikens associated with Holland Casting Co., a subsidiary of Buss Machine Works. He previously worked at W. E. Dunn Co.

He was married 15 years ago to Edna Mae Rosendahl, who survives him as do two sons, Wayne Allen and Dale Lee; two sisters, Mrs. Alex Evanzo and Mrs. Lawrence Weenoh, both of Grand Rapids; the father, Herman of Grand Rapids and grandmother, Mrs. G. J. Overway of Holland.

Minister Fatally Injured in Fall

Word was received in Holland Sunday morning of the death of the Rev. Engbert (Bert) Uebels, about 35, of Rochester, N.Y., which occurred Saturday at 8:30 p.m. in Alamosa, Colo., after the minister had fallen from a horse while riding that morning.

Rev. Uebels, a graduate of Calvin College and Calvin Seminary, had gone to Alamosa, Colo., to participate in 50th anniversary ceremonies for the Alamosa Christian Reformed Church which he previously had served as pastor.

The Rev. A. W. Hoogstrate of Holland, another former pastor at Alamosa, was present for the event. He telephoned the message to Mrs. Hoogstrate here Sunday morning.

Details were sketchy about the accident, but it was believed Rev. Uebels fell from the horse rather than being thrown. He received a basal skull fracture and died less than 12 hours later in a hospital.

He is survived by the wife, the former Edith Dekker of Grand Rapids, and five children. Mrs. Uebels' parents, the Rev. and Mrs. Henry Dekker of Grand Rapids, currently are with Mrs. Uebels in Rochester.

Rev. Uebels was a native of Ripon, Calif.

Kentucky Youth to Give Concert Here Saturday

A novel musical event is scheduled to take place here Saturday when the Annville Institute Choir from the Kentucky Mission, a Reformed Church project, will present a sacred concert in Third Reformed Church at 8 p.m.

The choir of 23 girls and nine boys will present a program consisting mostly of mountain hymns and ballads loved by the mountain people. Many of these will be unaccompanied and sung exactly as they are in the mountain churches, slowly and with the true mountain intonation. Others will be accompanied by piano or guitars.

This is the first tour the choir has made among Reformed Churches in this district. Letters have been sent to all Holland and Zeeland Classes churches to acquaint them with the concert information. The public is invited to the event.

The choir will arrive Saturday and will have dinner at Hope College as guests of Hope Church. They will have Sunday noon dinner at Hope College as guests of the college and arrangements have been made to house the choir and five accompanying adults with local residents, who will provide Saturday night lodging and Sunday breakfast.

Sunday at 11 a.m., the choir will sing at Hope Church.

Program for Saturday evening's concert will begin with a piano prelude by one of the students, hymn by the audience, scripture and prayer. After "Rise, Arise," "Lord of Hosts" and "Cherubim Song No. 7" by the entire choir, a boys quartet will sing "How Firm a Foundation," "Amazing Grace" and "Psalm 42." The choir will sing "Who at My Door Is Standing," "I'll Fly Away" and "Kneel at the Cross" and an ensemble will sing the school song. There will be short talks by students.

In the second half of the program, the choir will present "Guiding Star Carol," "Rejoice This Night," "Jesus, Jesus Rest Your Head," a carol from the Appalachian Mountains, "In the Shadow of the Cross," "I'll Meet You in the Morning" and "Jesus, Hold My Hand." June Draft Call Set for Ottawa

LANSING — Michigan draft boards will call 737 men for induction into military services during June, State Selective Service Director Arthur A. Holmes announced Friday.

The June call is a decrease of 143 men compared with the May quota. Holmes said it is expected that all of the June call will be filled with registrants 20 years of age or older, except for volunteers. The high rate of volunteering is contributing and selective service officials expect more than half the June quota will be composed of volunteers.

Wayne County will furnish 290 men and outstate counties 447 to fill the June quota, Holmes said. Other county quotas included: Branch 3, Calhoun 10 (board 13-2, board 217-8), Cass 6, Isabella 4, Macomb 37, Mecosta 2, Ottawa 10, St. Joseph 4, Van Buren 4, Wexford 2.

Paper Firm Waste Used on Roads

ALLEGAN (Special) —Sometime this month—if it stops raining—between 20,000 and 40,000 gallons of Otsego Falls Paper Company waste will be put on county roads each day, rather than being added to the Kalamazoo river pollution load.

According to county highway officials, two trucks have been rented to haul the paper mill liquor from Otsego mill for use as a dust layer and binder on the county's many miles of non-surfaced roads.

George McSonney, of Otsego Falls, who has been experimenting with the waste as a road binder, said a minimum of 20,000 and a maximum of 40,000 gallons could be hauled daily. The binder is extracted from waste formerly discharged into the river.

Highway officials said some of the liquor was used on test strips of dirt roads last fall. Although the weather was too dry to give the material a fair test, they said it did hold up very well.

Some of the material will also be used on Otsego city streets. The remainder is being stored in two special tanks near the mill until the county is ready to use it.

Mrs. Delano, a former president of Garden Clubs of Michigan, said it is very unusual for potted orchids to blossom in homes. MORE Farmers Have Planted **DEKALB** than ANY OTHER Seed Corn

This year—because of acreage restrictions—RESULTS will count MOST. Every acre MUST produce MORE. The BEST GUIDE in choosing your seed, is to plant the Corn that is PERFORMANCE PROVED. Last year, in DeKalb's Selected 5-Acre Corn Growing Contest, 5038 farmers averaged 101.16 bushels of DEKALB per acre. In 15 years of the Contest, 52,306 farmers have averaged 99.04 bushels per acre. These yields were made right on the farmers' own land—under many different soils and weather. They offer conclusive evidence of DEKALB's yielding ability—its outstanding adaptability—its year in and year out Dependability. This Spring—every Spring—make sure of the seed you plant. Plant DEKALB.

ALL yields made on selected 5-acre Contest Plots.

MAKING HASTE SLOWLY

Senator Clyde Geerlings was on
firm ground when he rapped Gov-
ernor Williams over the knuckles
for the governor's criticism of the
bill re-codifying the state election
laws. The governor signed the bill
but took occasion to protest that
it was not perfect, that it did not
qualify as a utopian act free from
blemish.

Senator Geerlings' answer was
that half a loaf is better than
none; that all the reforms the gov-
ernor suggested could not possibly
have gotten by any legislature at
this time; that the governor would
not have had any bill to sign if
that had been done. He said the
members of the committee believed
that in this case it was best to
make haste slowly.

The senator from Holland re-
minded the governor that the bill
was drawn up by a joint non-par-
tisan interim committee but that
"the advisory committee was non-
partisan as well." Then he added:
"It was the unanimous decision of
both committees that let us lose
the code in this legislative session
by introducing the many changes
we thought necessary, we should
approach the problem in three
steps."

It was a clear case of something
or nothing. The committee mem-
bers of Governor Williams' own
party were as sure of that as were
the Republican members. The
other suggested improvements can
now be introduced in the suggest-
ed "three steps," with some
hope that all or some of them will
be approved. If the re-codifying act
had died because it was overladen
with reforms that could not be
digested at this time, all would
have been lost.

It was almost inevitable that
Governor Williams should try to
make political hay out of a mea-
sure he signed. It is fatality easy
for anyone, governor or anyone
else, to suggest reforms. Almost
anyone can imagine a perfect
world, but translating such think-
ing into practical reality is quite
another matter. But the governor
knew that he could at least imply
that he was a much better election
law architect than a committee
operating in a Republican legisla-
ture.

It made little difference that in
the very nature of things the gov-
ernor could not know as much
about the difficulties and probabili-
ties, as did the committee mem-
bers of both parties who had spent
months in studying the problem
and gathering information from all
possible sources. The governor was
not after election reforms so much
as political thunder. He deserved
the rap over the knuckles that the
senator from this district gave him.

Elijah Challenges Baal Worship
1 Kings 17:1; 18:17-24, 37-39
By Henry Geerlings

People are by nature religious.
They will seek after some god.
There is that within them to pay
homage to some one or some
thing. It has been said there has
never been a group or tribe of
people found anywhere on the
earth that did not show evidence
of adhering to some religion, no
matter how crude it might be.

I think it may be said that
throughout the history of the world
it has not often been found to be
true that a religion had to contend
with no religion, but rather that
one religion had to contend with
another religion.

In our lesson for today we find
one religion pitted against another,
one God contending against many
gods. When the apostle Paul vis-
ited Athens he discovered that the
people of that great city were very
religious or very superstitious for
they had erected many altars, and
lest they should slight one to the
erected a special altar to the un-
known God. It is religion against
religion.

There was a time when Elijah
was so discouraged, supposing
that every one else had turned to
idols, he declared that he and he
only was left. But the Lord showed
him that there were thousands who
had not bowed the knee to Baal.
But even so there were pitifully
few who were willing to stand up
and declare themselves to be on
the Lord's side. There were 450
prophets of Baal and nearly that
many prophets of Ashteroth on Mt.
Carmel, but there seems to have
been but one prophet of the Lord.
It was rather a dark picture, but
before the sun went down that day
it was proved that more than 800
false prophets were not a match
for Elijah.

In Elijah we have a man of
courage. This is brought out in
the manner in which he faced Ahab
at various times, and delivered
messages which were disturbing to
the ruler. He had convictions and
he proved true to them. This
courage is needed to challenge
evil, to condemn crime, and to
carry on work which involves the
ideals of the kingdom. Elijah ex-
ercised his courageous attitude not
only toward Ahab, the ruler, but
also toward the prophets of Baal.
In all this activity he was coura-
geous through his trust in God.

A life without convictions is no
life at all. Edward Everett Hale
has made famous the man without
a country by means of his little
book bearing that title. As hopeless
as such an individual may be, is
not the man who claims a country
and yet is without convictions in
a more hopeless state? All of us
have met such individuals.

Holding convictions and express-
ing them play a great part in our
lives. Holding to a conviction rep-
resents the adoption of a live-op-
tion. The place of conviction in
life is so great that we have a
group of magazines and periodicals
which might be classified as
conviction magazines. These mag-
azines carry very little fiction, and
do not seek to influence our imagi-
nation nor particularly to delight
us in any way. Their sole purpose
is to influence personal and public
opinion.

The human tendency to hold
convictions, hold them tenaciously,
and to express them publicly, is
seen in the enthusiasm which
people demonstrate as they rush
into print in the People's Forum
in the average daily newspaper.
It would make an interesting study
to determine how we have come
by our convictions. Most of us
retain the political views and the
religious convictions of those
among whom we have been reared.
It is the rare soul who, upon
achieving a viewpoint, has the
courage to depart from the tradi-
tional position in any field of
thought.

It is essential that we formulate
our convictions. Supreme among
the views of life are those of a re-
ligious character, which determine
basically how we should conduct
ourselves, and the manner in
which we respond to God and men.
In order to justify our enthusiasm
for a cause, we must assure our-
selves that our cause is just and
right. Courage without a definite
basis in truth reacts as a boomer-
ang upon the holder of any opinion
or conviction. We must stand pat
upon our tested beliefs.

However, in any situation we
must assure ourselves that we are
guided by sincere convictions
rather than human stubbornness.
We must be sure of our ground.
We must verify the truth of our
beliefs and attitudes. In stating
convictions, we must distinguish
between a necessary stand in life,
and one which is unessential. In
the latter confession and compro-
mission must often play a part. Re-
pression must never take the place
of expression when a vital truth
must be shared with others.
History is replete with those who
courageously presented the truth
of God.

Burd Addresses
Local Rotarians

Fred S. Burd, Holland Hospital
administrator, addressed Holland
Rotary Club Thursday noon at the
Warm Friend Tavern. John Don-
nelly presented Burd, who spoke
on plans for increasing facilities at
Holland Hospital.

Following the second World
War, Burd said, an addition was
erected increasing the number of
beds by 24 at a cost of \$340 thou-
sand. About 28 per cent of this
expenditure was paid through fed-
eral funds.

Hamilton Associates, hospital
consultants, recently made a study
and estimate that by 1955 Holland
area will need 185 beds. Holland,
together with Douglas and Zeel-
and, presently have 106 beds.

As a result of the study it is
recommended that Holland build
an addition providing for 61 more
beds. Among a long list of further
recommendations are the follow-
ing: The establishment of a phys-
ical therapy department, relocation
of surgery which presently is a
passage way from one part of the
hospital to another, a separate
emergency department, and a deliv-
ery suite.

"Burd said federal funds will be
available at the beginning of the
next fiscal year which begins in
July. On a local level it is felt that
this must be a community pro-
ject."

From a survey to determine
where Holland patients come from,
it has been decided to appeal to
four governmental bodies for sup-
port, the city of Holland whose
patients represent 58 per cent of
those admitted, Holland township
with 11.7 per cent, Park Township
with 9.01 per cent and Fillmore
with 4.2 per cent. The remainder
is to be divided proportionately
among the four. The Board has
proposed that the city be bonded
for its share and that there be a
fund drive in the outside areas.
Burd said in conclusion,
from the outside areas has been
wonderful.

"Our next problem is to get this
all under way, and that's where we
are counting on you for support,"
Burd said in conclusion.

Virgil Beld of the Grandville
Rotary was a visitor.

Fennville Couple and Children
Ready for Two Years in Tehran

FENNVILLE (Special)—Lt.
Col. and Mrs. Andrew Johnson
and two children have returned
to Washington, D.C., after visit-
ing their parents, Mr. and Mrs.
Henry Johnson for a few days.
Col. Johnson, 38, is a member
of the U.S. embassy staff and is
scheduled to sail soon for Te-
hran, Iran, on a two-year secret
mission for the government.

He was graduated from Fenn-
ville High School in 1933 and
from Michigan State College in
1939 where he majored in soil
conservation. He also took the
R.O.T.C. training.

This special training gave him
a second lieutenant commission
when he joined the Army Air
Force in June, 1941. His com-
pany was the first Operational
Unit to fly the northern route to
England via Iceland and Green-
land in World War II. He also
participated in the invasion of
Africa and flew many missions
over Europe.

When he sails he will be ac-
companied by his wife, Esther,
their 15-year-old daughter, Judy,
and one-year-old son, Gary.

Vast preparations have been
made at enormous expense for the
Johnsons, but Col. Johnson says
he feels honored that he has been
asked to fill such a responsible
position.

He has been studying the Per-
sian language at the Pentagon
for two years. Recently they ship-
ped 8,000 pounds of household
goods, some of which were all-
kerosene burning stoves, cook
stove and refrigerator.

While some 250-volt electricity
is available it is not dependable.
The Johnsons also bought and
shipped personal clothing to last
the family two years.

In Tehran, where they will re-
side, there are about 1,200 Amer-
icans. The summer temperature
during the day stays hot but the
nights are cool. Winter tempera-
tures get below freezing but not
near zero.

Mission Union
Names Officers

The annual spring conference of
the Women's Missionary Union of
the Reformed Churches of Classes
Holland and Zeeland attracted a
large audience at the morning ses-
sion which featured a skit and
election of officers and again at
the afternoon meeting when Mrs.
J. C. De Maagd, missionary to
Japan, spoke. Sessions were held
at North Holland Reformed Church.

Officers elected were Mrs. H.
Kuit of Zeeland, president; Mrs.
G. Vander Borgh, vice president;
Mrs. R. Visscher, secretary; Mrs.
M. Vander Haar, assistant sec-
retary; Miss Dena Muller, treasurer;
Mrs. B. Bosgraaf of Hudsonville, as-
sistant treasurer.

An installation service was held
in the afternoon under direction of
Mrs. Henry Bowman of James-
town with Mrs. J. Schipper offer-
ing prayer. The president pre-
sented Mrs. Gordon Van Putten as new
chairman of the Missionary Activi-
ties committee and Mrs. M. Ger-
its of South Blendon and Mrs.
Gordon Top of Overisel as new
members of this committee. Miss
Angeline Lam was presented as
Youth Counselor to fill the ex-
pired term of Miss Fannie De
Klein. The president also welcomed
the Mission Aid League of Faith
Reformed Church, Zeeland, as a
new Union member.

In her talk Mrs. De Maagd
pointed out that Dr. John R. Mott
had declared many years ago that
unless 1,000 missionaries be sent
to Japan, eventually 1,000,000 sol-
diers would be sent, and that Jap-
an would follow either the way of
love or the way of hate. The war
came, she said, and now we are
given a second chance. In spite
of the devastation caused by the

Maroons Humble McBain in First Interschool Meet

Holland Christian's baseball club notched its fourth straight win of the season Friday afternoon on the 19th street diamond when it humbled Northern Michigan Christian from McBain, 12-7. It was the first meeting between these two clubs in the history of the school.

Coach John Ham's Hollanders had little opposition, and consequently didn't show the same form that they did against Grand Haven Thursday. Whereas the Maroons had committed only one error against the Bucs, they were guilty of five miscues against the northerners. Northern remained overnight and were to play Hudsonville Unity Christian today.

Wayne Alofs hurled creditable ball for the Hollanders until he was relieved by Freshman Dave Klaver in the sixth inning. Alofs allowed four hits and walked three batters in his stint on the mound. Klaver gave up two hits and three walks in the final two innings.

Christian scored almost at will in the first inning as they sent nine runners across the plate. Zuiderveld started on the mound for the losers, but failed to retire a single batter. Two hit batsmen, four walks and four hits did all of the first inning damage. Feature blows of the inning were a triple by second baseman Jun Buursma and a double by Ron Nykamp. Northern tallied once in their half of the first on a single and two errors.

The Dutch completed their scoring in the second frame as they collected three more runs on three hits and two walks. From this point on, the Northern Michigan hurler settled down and shut out the Maroons the rest of the way.

Four walks and a couple of infield outs sent three runners in for the invaders in the sixth frame. They failed to collect a hit during the mild uprising. They added their final three tallies in the last inning on two timely hits and a couple of Holland errors.

Both Buursma and Nykamp collected three hits apiece for the Dutch who collected 11 safeties altogether.

Convention Ends On Note of High Praise for Zeeland

ZEELAND (Special) — The National Federation of Reformed Men's Societies ended its two-day convention Thursday night on a note of high praise for hospitality and courtesies shown by the Chick City which literally had gone "all out" to welcome the hundreds of visitors from all parts of the United States.

The convention ended with a banquet for more than 400 in Zeeland High School gymnasium with the Rev. William Masselink of the Reformed Bible Institute as speaker, who spoke on a phase of the convention theme, "Meeting Today's Challenge."

Emphasizing the importance of a Christian education, he said, "If we want our young people in church we should train them as children, and we should continue the indoctrination in the old Reformed theology. We must make our democracy a Christian democracy—that's the only democracy worth fighting for."

Addressing Thursday afternoon's discussion meeting was the Rev. William Kok of Immanuel Church of Grand Rapids, speaking on "Meeting Today's Challenge in Our Work." He said, "At the bottom of every problem is the fact of sin and the Christian must set before himself the goal of perfection. We must use all talents God has given us, and in choosing our life's task, we should seek out our talents to promote God's kingdom and the glory of His name."

Richard Postma, president of the American Federation of Reformed Young Men's Societies, brought greetings from that organization.

Joe Gritter, federation secretary, said discussion meetings were better attended this year than at any other convention in the history of the organization. Third Christian Reformed Church auditorium was filled for all discussion meetings. Later Thursday afternoon, about 100 delegates took a two-hour tour of points of interest in Holland and Zeeland. Escorts were provided by Zeeland police and Ottawa sheriff's officers.

Next year's convention city will be chosen by the federation board at a meeting next November.

Jim Kaat Shines In Zeeland Win

FREMONT (Special) — In a dandy pitcher's duel here Thursday afternoon, Zeeland defeated the Fremont Packers 1-0.

Jim Kaat handled the mound chores for Zeeland and he gave up just two hits while his mates got three, including a fine clutch single by Ron Weatherbee.

Kaat was opposed by Dykman, who shaded the Zeeland pitcher in the strikeout department by fanning 14. Kaat struck out six. Each pitcher allowed just two walks.

The Chix were charged with five errors to three for Fremont. Zeeland's "golden" run scored in the third inning. Jack Faber got to first on an error. Weatherbee came to bat and singled him over to third. Faber scored on a fielder's choice when the Fremont player decided to get Jim Wynyard at first rather than cut off the run coming home. Weatherbee got to third but died there after two strikeouts.

Weatherbee, Ron Damstra and Gerard Wiggers were the three Zeeland hitters. Wiggers caught for Zeeland while Schuitman was behind the plate for Fremont.

Holland In 1917

(Following is the 588th in the series of articles taken from news of the Holland Daily Sentinel published more than 25 years ago.)

The city will soon be fully organized for the big drive for funds for the Army Camp YMCA that will begin on Monday, Nov. 12, began a story in the Saturday, Nov. 3, issue of the Holland Daily Sentinel published in 1917. The district of which Holland forms a part includes the following townships: Park, Holland, Olive, Blendon, Zeeland, Georgetown and Jamestown. In this district the sum of \$8,000 must be collected.

The educational institutions of the state collectively are pledging \$50,000 for Army YMCA work and the Holland students are not slow in doing their "bit." Hope College has pledged \$1,000 and a campaign is now being made to redeem that pledge. The Western Theological Seminary pledged \$100.

Ottawa County has the enviable reputation of being at the foot of the class so far as Red Cross membership is concerned. The report was issued yesterday by the Michigan Red Cross Board of Detroit, that the county was listed in many state papers as the lowest in proportion of membership total population.

The light fall of snow that came a few days ago has been something of a Godsend to many of the farmers of Ottawa county who were caught with their potato crop still undug. The snow served as a blanket to protect the tubers during the few cold nights and this fact saved many a bushel of potatoes from being nipped by the frost.

The black team at Engine house No. 1 is for sale. The horses weigh 2,600 pounds and are in fine condition.

County School Commissioner Stanton took steps Monday to help the farmers of Ottawa County save the potato and bean crops, according to a story appearing in the Monday, Nov. 5, issue. Mr. Stanton informed all the school directors in the county that they are authorized to let the pupils who can help in the gathering of the crops stay out of school for a few days while the nice weather continues.

There will be one week more of the house to house canvass of the food conservationists. All this week there will be opportunity to sign the pledge cards and to get actively into the game of helping the government to save food. The announcement was made today by Mrs. Dick Vander Haar, in charge of the campaign in this city.

Mrs. George E. Kollen has been invited to be one of the speakers at the celebration to be held in New York City in connection with the 35th annual convention of the Woman's Board of Domestic Missions to be held in the Marble Collegiate Church on Fifth Ave.

The stage is set for the big Army Camp YMCA meeting in the city hall this evening. The Rev. H. J. Veldman, chairman of the local committee in charge of the campaign in southern Ottawa, will preside. Speakers will be Jesse B. Davis, principal, Grand Rapids Central High School; the Rev. Mr. O'Connell, Grand Rapids, the Rev. L. Trapp, Camp Custer; Private Robbins and Pvt. Timmer of Camp Custer; Corp. Bernie Mulder of Fort Oglethorpe, Ga. and Sgt. Teunis Prins of Camp Custer.

The 43rd annual meeting of the Woman's Foreign Missionary Society, Northwestern Branch, of the Grand Rapids District of the M.E. Church, will be held in the M.E. church in Holland Thursday and Friday of this week. Miss Ella Gowdy of Holland is president of the District organization.

Henry Geerlings, State Chairman of the Michigan Sunday school association, went to Detroit Monday morning to preside over the State Sunday School convention.

The court room in the city hall was crowded Monday night when the Army Camp "Y" meeting was held there showing that the interest in the campaign to begin in Holland next Monday is keen, according to a story appearing in the Tuesday, Nov. 6, issue. Every chair was occupied, many found standing room in the back of the hall and along the sides and others found a place in the doorways and corridors.

A cablegram to the Board of Foreign Missions of the Reformed Church announces that the Rev. and Mrs. G. Van Beursem arrived safely on Nov. 3, at Colombia, Ceylon. The same cable announced the safe arrival of the Rev. G. Pennings and C. Wierenga. Another cablegram to the same office announced the arrival at Yokohama of the Rev. and Mrs. J.C. Van Wyck, the Rev. and Mrs. H.E. Van Vranken and the Rev. and Mrs. H.A. Bilkert.

The supervisors of VanBuren county last week appropriated \$1,000 for the benefit of the county fair which for several years has been a success in Hartford. This year the rain hurt the fair, but the spirit is so good over there that more than 10,000 people attended in the rain and the fair just broke even on the week.

Dutch Hitting Much Improved In Decisive Win

Thirteen runs on 12 hits were more than enough Friday afternoon for the Holland High school baseball team as they crushed the Muskegon Big Reds 13-7 at River-view Park.

Coach Ned Stuitt's squad held the Big Reds easily in the first inning but when Holland came to bat things began to happen. Bill Sandahl, Bob Van Dyke and Ron Van Dyke all got on base with the Van Dykes scoring the opening pair of runs.

Muskegon opened up in the second, starting with a home run by Kreuger and runs by Erickson, Gelinas and Foy. About this time starting Holland pitcher Wayne Westenbroek was replaced by Jim Boeve.

Gerald Boeve was the only Holland man to make it across in the second and the inning ended with the Big Reds still ahead 4-3. Kreuger scored again in the third getting on base by a hit pitch.

Holland bats started to boom in the third inning as Okrei got a base on balls. Plagenhoef made first on an error. Bob Van Dyke scored both with a solid hit.

Sandahl, Hoeksema, Boeve, and Ron Van Dyke all got on base as Muskegon sent Bardenski in to pitch the rest of the inning, but not before Holland had started around the second time on the batting order and had rung up five decisive runs.

The score now stood 8-5 and the tide was turned.

To prove the Dutch really meant business, Muskegon went down 1-2-3 in the 4th. Though Glafcke replaced Bardenski in the fourth Plagenhoef, Sandahl and Hoeksema made the full circuit to up the Dutch three more points.

It almost appeared as though Kreuger was the only man making runs for Muskegon yesterday, as he came over the plate in the fifth.

Ron Van Dyke knocked a nice three bagger and came in to score again for Holland in the bottom half of the fifth.

Last run the Big Reds got in came through Knop's efforts in the 6th. Foy almost succeeded in getting on by slamming a line drive third base way. A beautiful catch was made by Ron Van Dyke and as far as Muskegon was concerned the game was over.

Gerald Boeve made one more run in the sixth to give Holland a final score of 13. Four men got to hold the bat for Muskegon as the game went into the seventh, but they might just as well have stayed in the dugout.

There was a big grin on coach Ned Stuitt's face as he commented, "we like to beat Muskegon."

Maentz Receives Fractured Jaw

Tom Maentz, former Holland High School athletic standout who was considered one of the top prospects for an end position at the University of Michigan, received a fractured jaw in drills Wednesday.

Maentz, son of Mr. and Mrs. Henry Maentz of 132 West 12th St., was participating in downfield blocking practice when the accident occurred. Doctors have wired the jaw, and he will be on a liquid diet for six or seven weeks.

The 6'4" tall end was a star basketball center and football end at Holland High School. Maentz transferred to the University last fall as a freshman from Kiske Preparatory school in Pennsylvania.

Press dispatches from Ann Arbor had repeatedly named Maentz as a favorite for the right end slot on the 1954 Wolverine squad.

Terry Baar, former Grand Rapids Central High school star, was also injured this week. Baar, a Michigan halfback candidate, injured his knee and will undergo surgery Monday.

Also on the injury list is Duane Gebben, son of Mr. and Mrs. Albert H. Gebben of 169 East 18th St. Gebben, a sophomore at Western Michigan College in Kalamazoo, received a torn ligament in his knee and will have to undergo surgery sometime this month.

President Lubbers Lists Department Personnel Changes

Al Vanderbush, head football coach at Hope college since 1946, will take over the reins as director of athletics next fall, President Irwin J. Lubbers, announced today.

Vanderbush, whose teams have racked up an amazing record, will succeed Russ De Vette, who is leaving to become head basketball coach at the University of Maine at Orono, Me.

In another major shift, Larry Green, currently assisted professor of physical education, has been named chairman of the department of physical education, also succeeding De Vette.

Head basketball Coach John Visser will continue in that position, as well as assuming direction of many of the physical education classes formerly taught by De Vette. Coach Visser will teach no academic courses next year.

Kenneth Weller, head tennis coach and assistant football coach, will continue in these positions as well as his role as assistant economics professor.

In announcing the department changes, President Lubbers said no new members will be added. "Duties will be spread among the rest of the department," he said.

Vanderbush will continue with a lightened teaching load in the history and political science department. He is a graduate of Hope College in 1923 where he participated in several athletic events.

In 1946 after twice sharing the head football coach at Grand Rapids South high school, where his teams swept to two city championships and just missed a third. Joining the Navy in 1942, he served four years in the Atlantic theater before coming to Hope in 1946.

In 1953, after twice sharing the MIAA football crown, Vanderbush's team swept to an undisputed title.

Vanderbush was awarded his M.A. degree from the University of Michigan in 1938. His wife, Betty, is a teacher at Lincoln Elementary school.

Green is a newcomer to the Hope faculty, succeeding John (Jack) Schouten who retired last fall. Green is a graduate of Central College.

He has received his master's degree from Drake university and is a doctoral candidate from Iowa State university. He was a deck officer in the Navy during the last war.

Following his discharge from the Navy, Green joined the Laurens, Iowa, high school faculty where his football, and baseball teams recorded undefeated seasons for three years. He also coached basketball at the high school.

Tulips Are Weathering Snow and Cold So Far

A surprise blast of winter nudged spring out of Michigan Tuesday but the blustery winds and skidding temperature did little or no harm to Holland's tulips which already are well on the way to blooming.

Park Supt. Dick Smallenburg said no harm will befall the proudest product of Holland city, provided it doesn't get any colder. He figured that the low of 31 degrees did no damage, but he wouldn't care for the temperature to dip under the 30 degrees predicted for Tuesday night.

He said the brisk winds are not doing the tulips any good since the stems are tender and much taller this year because of recent rains. But he's never worried about a slight coating of snow.

If the weather warms up by Thursday, Smallenburg predicted a lot of lanes will be in color by the weekend, enough to attract a lot of pre-festival visitors. Barring further weather "insults," the tulips will remain in good condition—probably peak condition—for the Silver Anniversary festival May 12 to 15.

Even with the swirling snowstorms Monday and Tuesday, the weather was not such a threat to the tulips as four weeks ago when the temperature dipped to 16 degrees. Fortunately, tulip shoots were out only about four inches and damage if any confined to only the ends of the leaves. The buds and stems had not yet formed.

Charles Stokette, chief weather observer, said snowfall amounted to 6 inch since Monday, but it was enough to leave some roofs with a coat of white Tuesday morning.

Snow extended from the Upper Peninsula into southern counties of Lower Michigan. Four to five inches of snow fell in Gogebie county. Ontonagon caught five inches and Ironwood six inches.

It measured four inches in Baraga county. Houghton and Grand Marais had two inches, and one inch fell in Traverse City and Battle Creek.

The State Highway department warned that roads in some of these counties were slippery.

Spring already had made a brave arrival in Michigan, leaving the state's residents little prepared for the traditional trademarks of winter—snowfall, cold weather and slippery streets.

Five Hope trackmen, John DeVries, Ron Den Uyl, Dave Hondorp, Bob Hendrickson and Don Brookstra took first place medals at the John Bos Relays Saturday evening at Grand Rapids.

It was the biggest individual track and field meet in this area in 10 years. There were seven colleges and 18 Western Michigan high schools invited. They were represented by 117 collegiate and 234 high school athletes.

No team scores were kept. Awards were made only for individual performances.

DeVries, only a Freshman, took the pole vault at 11'3" as well as second in the broad jump. Den Uyl, another Freshman, ran a winning 4:7.4 mile and coasted to a fourth in the 880. He usually pairs the two-mile with his mile specialty. Bob Hamilton finished just ahead of Den Uyl in the 880.

Hondorp led a sweep of the 220 low hurdles. Bob De Young, Ted Bechtel, and John Adams took second, fourth and fifth for the Dutchmen. The winning time was 27.4. Brookstra ran the 120 highs in 17.3. DeYoung was again second and Bechtel fifth. In both previous meets this year Brookstra fell and did not finish.

Hendrickson's winning effort in the shot was 40'7" and his discus heave was good enough for fourth. John Brannock, MIAA discus champ, did not compete.

In the sprints, Carey, Essenberg, and Hondorp finished third, fourth, and fifth in the 220; Carey second in the 100; and Bunk Van Ark third in the 440.

Holland Wallops Muskegon Team In Night Contest

Members of the Holland High baseball team really put on their hitting togs Friday night against Muskegon Catholic under the lights at Riverview Park. The Dutch walked off the field with a larrupin 25-15 victory.

It was Holland's fourth win in five games.

The Dutch piled up 14 hits, 25 runs and made seven errors. Their foes made 15 runs on 11 hits and seven errors.

In the first inning the visitors went down 1-2-3 and soon found themselves against a "loaded" Holland aggregation as most of the locals came to bat twice during the initial inning.

Ron Van Dyke singled as did Joe Okrei. Okrei got life his second time at bat when he was struck by a pitch. Dick Plagenhoef got a single his first time up and slammed a home run his second time up. Bob Van Dyke had two singles and Bill Sandhal walked three times. Jim Boeve, John Van Raalte and Pitcher Leroy Fogarty all walked.

At the end of that spurge the score was 11-0 in Holland's favor. Muskegon Catholic rebounded with seven runs in the second. Gancarz, Dempsey and Murray were all on base when Mastella came through with a bases-clearing home run.

Holland retaliated with another outbreak in the bottom of the second. Jim Boeve walked. Van Raalte doubled. Fogarty and Ron Van Dyke managed to get on base and Okrei and Plagenhoef walked. Bob Van Dyke singled and Sandahl doubled. Gerald Boeve walked and Jim Boeve singled.

When things quieted down it was 19-7 in Holland's favor.

The visitors seemed a bit demoralized after this but made a futile attempt in the third to get back in the ball game. Mastella walked and Opalek and Seymour both singled, but it made little difference as Okrei, Plagenhoef and Bob Van Dyke hit safely in the bottom of the third to score Plagenhoef.

Mastella hit safely in the fourth, but that was all.

Coach Net Stuits inserted a flock of subs in the fifth and they came up with five runs. Ron Van Dyke, Bob Van Wieren, John Stryker, Tom Ragains, Jim Mokma and Jim Boeve all got on base with the first five scoring.

Muskegon Catholic also made five runs in the top of the sixth but was too far behind to catch up.
